Institutional Research Committee

PRELUDE

Research comprises of creative work undertaken on a systematic bases in order to increase the collective knowledge, including knowledge of health sciences. It is used to establish or confirm facts, reaffirm the results of previous work, solve new or existing problems, support theorems or develop new theories. Research is the basic need for the growth of an institution especially in higher levels of education.

In this regard BLDEA's AVS Ayurveda Mahavidyalaya Hospital & Research Centre, Vijayapur is initiating the research in various fields of Ayurveda and its applied sciences aiming at multidimensional growth of the institutional. To initiate, promote and monitor research at BLDEA's AVS Ayurveda Mahavidyalaya Vijayapur, the institutional research committee has been constituted.

Office Bearers and Members of Institutional Research Committee are,
